## Stationery List 2012

### Dear Parents/Caregivers

- We would like all children to start the new school year with their stationery, covered and labeled, on the first day of term so we can establish routines and start working in books from day one.
- We like to support our local businesses so Dannevirke Paper Plus will have all our requirements in stock. They have a copy of our class stationery lists and store staff will be able to assist you to purchase what your child needs. There will be 'back to school' stationery sales in January 2012.
- Please sort through this year's books when they are sent home and put aside any that are only partially finished that can be used next year. Many children will already have reading bags and clear files from last year. Please label with their new class and re-use these.
- We would like all books to be covered with a book cover or duraseal as this helps to keep them in good condition and encourages your children to take pride in their work. We promote the use of clear duraseal as it is far cheaper than the patterned versions. Our school office also stocks plastic book covers in a range of sizes and colours for 50-60 cents each (depending on size). For more ideas or to purchase book covers online, try these websites: [www.ezcover.co.nz](http://www.ezcover.co.nz) or [schoolbookcovers.co.nz](http://schoolbookcovers.co.nz).
- **We have tried very hard to keep stationery costs to a minimum for you. If your children already have pens, rulers, colouring pencils etc, PLEASE RE-USE as many of these general stationery items as you can.**
- This year we are asking that all books be named only. Subject titles will be done in class during the first week at school.
- Book Bags are vital to ensure school resources carried home for homework are returned to school in good condition, please check that your child has one and is using it! The school office has a small supply of book bags large enough to accommodate homework and library books. These can be purchased at a cost of \$5.00.

### SCHOOL FEES

- You will be invoiced in Term 1 for the year's school and photocopy fees. Please note that you can pay these fees as a lump sum, termly, or by regular automatic payments into the school's bank account. Speak to Debbie Swaby in the office for more details.
- Parents of Year 7 and 8 children will also be invoiced for technology fees.
- Parents of children in Rooms 5, 6 and 7 will have \$5 added to their school fees which goes towards whiteboard markers that the students use in these three classrooms.
