School Board Parent Election 2022 Nomination round

Our school will be undertaking a parent election for **5 School Board vacancies**. This process will start with the issuing of nomination papers to our caregiver community by **Friday 15th July 2022**.

We have employed CES to undertake the election process on our behalf. This year with legislative change, our nomination form and full instruction on how to place your nomination into our own School's Election website will be emailed to you if we have your email address in our database or you will receive it by post if we don't have your email in our database.

Nomination papers will also be available at the school office. The school will send those on to CES for processing upon receipt from candidates.

Nominations close on Friday 5th August at 12 noon.

We look forward to your participation in this process.
