PHEW! What a term it's been!

We are still having above average absences due to illness both in children & staff. Let's hope that the two week break is enough to get us all back on track.

We wish you a safe and happy holiday and look forward to seeing you in Term 3.

The beautiful art work now on display in the office foyer.

The Seven Star Fish was created by the children of Pounamu as part of their Matariki celebration.

A reminder to parents to enroll your preschoolers on our New Entrant Roll. You can do this simply by ringing the school office. If you know of anyone in the district who has yet to do this, please remind them.

HAPPY
RETIREMENT
TO
THIS
LEGEND!!

We will miss you
Frank.

End of Term Reminders

Please search for & return all school LIBRARY BOOKS, READING BOOKS & SPORTS SHIRTS that are no longer needed. Please remind your child to take a look at the lost property outside Room 3. There are a lot of un-named uniform items in there.

Room 5's amazing dragon art.

The Education Review Office (ERO) has shifted to a new approach to evaluation that supports each school's improvement over time. Key features of the new approach, Te Ara Huarau, are that ERO will:

- work with all schools in an ongoing way rather than as a one-off event
- connect with each school's strategic planning and reporting cycle as part of their improvement journey
- work in partnership with schools, collaborating in support of equitable and excellent outcomes for all learners

As a result, each school will:

- have a dedicated ERO Evaluation Partner who works alongside the school
- have a different experience depending on needs, strengths, and their school's specific evaluation focus
- be on a three-year evaluation cycle

What will public reporting on ERO's website look like?

As schools' transition into the approach, ERO will work with schools to publish a one-off **Profile Report**. This will focus on the strategic goals schools have in place to improve learner outcomes and what the school is seeking to achieve through the evaluation.

Within a three year cycle all schools will then have a **Te Ara Huarau | School Evaluation Report**. This report includes information about the school's improvement journey, what the school has achieved for learners and their future priorities.

All schools will receive a **Board Assurance with Regulatory and Legislative Requirements Report** about their board's attestation to meeting those requirements. **Provision for International Students** and **Hostel Reports** will be published where applicable.

Other reporting

Progress Reporting - These reports are not published on ERO's website. They can be written by the school, jointly by the school and ERO or by ERO. Progress reporting provides specific information for specific audiences such as your board, the community, or the Ministry of Education.
